

# DeltaV™ Community Connect

## Have an idea to enhance DeltaV?

Join DeltaV Community Connect, formerly known as the User Driven Enhancement Program (UDEP), to share your most valuable ideas for improving the DeltaV Distributed Control System and Safety Instrumented System directly with Emerson's technology leaders.

### Community Member

Engage in the new DeltaV Community Connect Forum on Emerson Exchange 365 to share and vote on ideas.

### Community Leader

Moderate discussions on the new DeltaV Community Connect Forum on Emerson Exchange 365.

Work directly with DeltaV Product Managers to identify top ideas.

### Benefits

- Chance for free admission to Emerson Exchange

### Requirements

- 2 Year commitment
- Engagement on forum at least 2 times per month
- Periodic meeting with DeltaV Product Marketing Managers (1-2 times per year)

### Strategic Advisor

Shape the future of DeltaV by advising on long-term vision and roadmap and supporting new product design and adoption. Provide feedback on new product ideas to the DeltaV product management and leadership teams.

### Benefits

- Free admission to Emerson Exchange

### Requirements

- 2-3 Year commitment with NDA
- Active meeting participation
- Virtual meetings to provide feedback on Emerson top ideas (Scheduled 1-2 months in advance, 1-2 hr duration, no more than 2x per year)
- Annual meeting with DeltaV DCS Product Development team:
  - May 2026 – Austin, TX
  - May 2027 – TBD
